

# DOUBLE ENSUITE SHOWER TENT ASSEMBLY INSTRUCTIONS

Thank you for purchasing the Firefly Double Ensuite Tent.  
Please follow the below instructions for the setup method:

## Step 1.

Open the storage bag & unpack all the components.

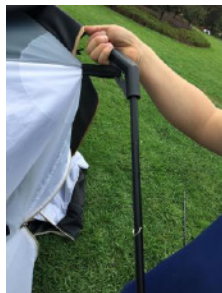

## Step 2.

Lay the mosquito net tent out on the ground & locate the top sections of the two rooms. Insert the 4 poles through the tent tunnel strips to create an 'X'.

## Step 3.

Place the roof cover over the mosquito net tent then begin connecting the main vertical leg poles. Push the poles into the black plastic connectors one by one. Hook the bottom of the poles into the metal clips at the corners of the tent.

## Step 4.

Hook the tent fly clips onto the vertical poles. Attach the groundsheet inside each shower room & fix the tent to the ground if necessary.
